Dear Sir /Madam,

Requesting Computer Units for the ICT Laboratory

I am writing on behalf of WP/CO St. Anthony's Sinhala Vidyalaya, Mahawatta, to request a donation of computer units for our school. Our school situated in a highly urbanized Colombo city, and approximately 1,000 scholars are actively studying in Grade 1 to 11 classes. From that, grade six to eleven students study ICT as a compulsory subject. Since we have only two computers, they have limited time to do practicals. So the school is not in a position to provide them new computers.

Please be kind enough to consider the above stated and donate us to oblige computer units.

Thanking you in anticipation.

Yours sincerely,

K.A.S.Bandara
